Professional Development

SECTION 5 - RE-CERTIFICATION & PROFESSIONAL DEVELOPMENT

Instructor Re-certification

As an instructor, you are a life-long learner. You will complete instructor re-certification every five years and the re-certification cycle starts the date of notification of successfully completing and passing the CLIMB.

The PIPE creates Instructor Development Training and associated opportunities to stretch instructors. Examples of Instructor Development may include: VEIT Instructor Training, CLIMB Instructor Training or International Instructor Training or Discipline-Specific Instructor Training. PIPE will send an invitation to instructors to participate in Instructor Development Training.

You will complete 40 CEUs to re-certify every five years upon successful completion of the CLIMB. No carry-over of CEU credits will be applied to the next five-year cycle. The PIPE creates instructor development training. You are encouraged to enhance your discipline/industry knowledge and teaching acumen and by regularly instructing courses.
