

## **Chart Your Own Course**

IRWA's Credentialing Concierge is now at your service

## MARK RIECK, IRWA CHIEF EXECUTIVE OFFICER

IRWA has just made attaining your certification easier than ever. With a new three-step industry pathway, members who want to differentiate themselves in the marketplace and stand out in the right of way profession can get there faster. Enter, the IRWA Credentialing Concierge!

We recognize that charting an individual course of education can be a daunting task for busy professionals. That's why IRWA has launched a new credentialing module that is based on your individual course history. It will tell you which three certifications you are closest to attaining and allow you to explore any career pathway, without needing to enter any data. Just click and go!

What's more, IRWA's new Credentialing Concierge will guide you through each step of the process—from a review of the requirement categories, arranged chronologically—to course registration and right of way experience verification. You can even submit your completion application online at your convenience.

With this new streamlined and automated process, attaining your IRWA credential has never been easier. We have taken out all the guesswork, so now is the ideal time to join the ranks of credentialed members. Check out our new Credentialing Concierge on IRWA's home page. You will be glad you did! Onward. •
