R/W-AMC ASSET MANAGEMENT RECERTIFICATION APPLICATION Recertification Requirements

Recertification requirements consist of thirty (30) continuing education units (CEUs) from courses, conferences, seminars, or right of way related events accepted for credit by the IRWA. Attendance could be in-person, virtually, online or a combination of all three as a student or instructor and must be completed as follows:

1. A minimum of sixteen (16) CEUs of IRWA coursework, eight (8) of which must be an IRWA ethics course.
2. The eight (8) CEUs out of sixteen (16) in item 1 referenced above must be in any course series required for initial certification in the discipline you were certified for:
 - a) R/W-AMC, either the 200, 600, 700, or 800 course series
3. A maximum of fourteen (14) CEUs of additional IRWA coursework, such as the Annual International Education Conference, Chapter/Region approved education events, or non-IRWA courses, such as conferences, seminars or right of way events from outside education vendors.

Maintaining the certification requires recertification every five (5) years and the required credits must be accumulated within a period of no more than five (5) years from the initial certification approval or from the date of the previous recertification.

Please note:

- For in-person or virtual classes, applicants taking IRWA courses for recertification credits are not required to take the course exam. However, online, on-demand classes, applicants must successfully pass the exam with a score of a 75% or better to obtain recertification credits.
- You will only receive credit once for the same course you attended or instructed during a five-year recertification period.
- IRWA ethics courses will only apply towards the ethics requirement.
- Non-IRWA and local IRWA Chapter courses/seminars/conferences related to right of way and/or real estate that will benefit the continuing education of IRWA certified right of way professionals no longer require approval for recertification credit from the IPEC Credentialing Subcommittee.
- There is no carryover of CEUs from one five-year period to the next, even if those CEUs have not been used during a previous five-year period.
- IRWA Headquarters (HQs) does not track completion of non-IRWA and local IRWA Chapter/Region seminars or conferences. It is your responsibility to save the completion certificates you received from those events and submit them to IRWA HQs along with your recertification application when you are due for recertification.
- For questions about recertification requirements, please contact the Credentialing Manager at 310-538-0233, ext. 123.
