

The heart and strength of the IRWA lies within our members. In recognition of the diverse and dedicated individuals who make up the IRWA, we release our **Member Spotlight** each month in our Leader's Edge eblast. This serves as an opportunity to highlight our members by showcasing the talent and expertise that they bring to the Association.

We are excited to announce that **Member Spotlight** will now be published in Right of Way Magazine, IRWA's official publication. This is a wonderful place to introduce yourself or to celebrate a fellow member's contributions to our purpose of improving the quality of people's lives through infrastructure development.

For more information or to submit a member for consideration, please contact Ethel Navales at navales@irwaonline.org.

This month we spotlight IRWA's Kentucky Chapter President, Jessica A. Grivna.

Jessica is currently working as an Acquisition Agent in the Right of Way Department of Qk4, Inc. She has been an employee of Qk4 for 19 years, with 12 of those years focused on providing right of way-related services. Jessica recently received her RWA designation through IRWA.

Administering every parcel that is negotiated through Qk4, Jessica plays a crucial role in assuring completion and accuracy of the acquisition process before submitting the final product to Qk4's clients.

Jessica currently serves as President and Website Editor of IRWA's Kentucky Chapter 25. As President, she conducts monthly Board of Directors meetings, and she guides the planning and implementation of events for the Chapter's members. She is currently in the process of launching the Don Brent Memorial Education Fund for her Chapter to encourage member participation in the annual IRWA Education Conference.
