

On Demand is **IN DEMAND**

BY DEIDRE ALVES, M.ED.

IRWA Vice President of Professional Development

As you pursue your right of way professional education, IRWA is working to bring you more quality enhanced and accessible learning options. Whether you are just starting out, on the path to certification, or fulfilling continuing education requirements, IRWA has something to help you get what you need to excel professionally. Welcome to your IRWA University!

INSTANT ACCESS FOR A SEAMLESS EXPERIENCE

IRWA's new online learning portal offers instant access and more educational options. Along with a new streamlined visual format, members will now benefit from full integration with IRWA's database and participant profiles that reflect your course history. Plus, you can get immediate printable certificates of course completion.

The IRWA University provides education any time, any where from your PC to your tablet, phone or any mobile device. Our new course library is simple to navigate and provides five categories for you to meet your certification and continuing education requirements. The categories are:

On-Demand Classes: We offer 21 right of way courses in discipline-specific areas that now have an easy, one-step sign-on.

Leadership Institute: These "for credit" modules offer valuable techniques for enhancing your leadership and teamwork skills. New content is added regularly, and it is free to all IRWA members (available to non-members for a fee).

VEIT On-Demand Classes: IRWA's newest, leading edge breed of online professional education provides the ease of online access with the "feel" of traditional classroom based learning - right alongside your industry colleagues! VEIT On Demand debuts with IRWA Course 213- Conflict Management.

Education-to-Go: IRWA will soon be offering a diverse and relevant series of short podcasts, videos and webinars for quick and easy certification credit options.

Classroom-Based Courses: Easy online access to register for current classroom-based courses offered in your area.

EXPANDING OUR REACH

As an IRWA member, you are part of a worldwide community that is committed to continuing education, sharing knowledge and using best practices to solve complex issues. As we extend our reach with members, partners and other right of way professionals around the globe, access to on-demand education is a vital key to success, excellence and global collaboration.

IRWA University welcomes right of way professionals from around the globe to a worldwide classroom where we unite in an effort to build a better world. Together.

As IRWA's Vice President of Professional Development, Deidre has expertise in education, training, human performance and collaborative social environments. Deidre holds a Master's Degree in Education, Multicultural Curriculum and Instruction from George Mason University in Fairfax, Virginia and a Bachelor's Degree in International Service from the Catholic University of America in Washington, DC.
